DIRECT METALS COMPANY, LLC ACHIEVES ISO 9001:2008 CERTIFICATION

Kennesaw, GA -- August 25, 2010 -- Direct Metals Company, LLC has become an ISO 9001:2008 Certified organization at both locations in Kennesaw, GA and Park City, IL. Their ISO conformance extends to their warehousing, sales, fabrication and distribution of all Direct Metals Industrial Metals and Fiberglass Products. Direct Metals is ANAB Accredited and UKAS Quality Management Certified by the Perry Johnson Registrars, Inc. They now adhere to a quality management standard that is recognized and respected throughout the world for their industrial and architectural metal product lines and services.

Since 1996, Direct Metals has been a leader in industrial and hard to find metals and fiberglass products. The company is owned and operated by a select group of personnel with a combined 100 years of experience. They carry one of the largest inventories in the nation of perforated metal, bar grating, expanded metal, safety grating, fiberglass grating, architectural metals, Wagner handrail components, KeeKlamp®, BeamClamp™ and wire products. Direct Metals products are available in carbon steel, stainless, aluminum, fiberglass or galvanized.

Their processing capabilities include cutting, shearing, sawing, punching, cut-outs, drilling, welding, slitting, blanking, burning, fabrication and various special finishes. Direct Metals also provides expedient shipping with in-stock orders by noon shipping the same day. They have served customers in the United States and internationally for over 15 years.
