DIRECT METALS COMPANY, LLC INTRODUCES THEIR NEW TITWELD™ GRATING PRODUCT

Kennesaw, GA -- October 22, 2009 -- Direct Metals Company, LLC introduces their new TiteWeld™ super narrow welded grating product which is ideal for those very tight spacing requirements when customers need maximum “roll-a-bility.” TiteWeld™ satisfies both AASHTO loading strength & ADA comfort requirements for wheel chairs and walking pedestrians. This product is in stock and ready to ship with bar sizes in 3/4", 1", 1-1/4", 1-1/2", 1-3/4", 2" and clearspan from 2 foot to 8 foot.

Direct Metals is a leader in the industrial metal, hard to find metals and fiberglass products while being owned and operated by a select group of metal experts with a combined 60 years of experience. They carry one of the largest inventories in the nation with a wide selection of perforated metal, wire mesh, bar grating, expanded metal, safety grating, fiberglass grating, handrail components, KeeKlamp®, BeamClamp™ and wire products. Direct Metals products are available in carbon steel, stainless, aluminum, fiberglass or galvanized.

Their processing capabilities include shearing, sawing, punching, drilling, welding, slitting, blanking, fabrication and finishes. Direct Metals also provides expedient shipping with in-stock orders by noon shipping the same day. Direct Metals has two locations, Atlanta, GA. (Corporate) and Chicago, IL. that serve customers throughout the United States and internationally.

For a quote or order call 1-800-711-4939, email info@directmetals.com or view www.directmetals.com for more info.
