DIRECT METALS ANNOUNCES ANOTHER NEW SALES REPRESENTATIVE

July 1, 2019 – Kennesaw, GA – Direct Metals, a steel service center providing specialty metals with locations in Kennesaw, GA and Waukegan, IL, has a new sales representative that just joined their team, Howard Miles.

Howard handles customers' specialty metal and fiberglass orders. He provides quotes to customers for their orders and helps answer any questions that they may have about the Direct Metals products. Howard then processes the orders so that they can be shipped to the customer, which if ordered by noon and are an in-stock product, it can be shipped to the customer in the same day.

Before coming to Direct Metals, Howard had worked as an inventory control/logistics manager at Southern Aluminum Finishing, where he gained extensive metal experience. He also attended North Carolina Wesleyan College and earned his bachelor's degree in Business Administration. Howard enjoys playing volleyball several nights a week, volunteering at Buckhead Church, and spending time with his Fiancée, Andrea.

"We are excited to welcome Howard to our Direct Metals team," stated Tom Hoover, President of Direct Metals. "Our customers enjoy working with him and appreciate the extra mile he goes to serve their specialty metal needs."

Founded in 1996, Direct Metals is a leader in industrial specialty metal products. They carry one of the largest inventories in the world of perforated metal, bar grating, expanded metal, safety grating, fiberglass grating, architectural metals, handrail components and wire mesh products. The company's products are available in carbon steel, stainless steel, aluminum, copper, brass, bronze, fiberglass or galvanized metal.

Direct Metals offers several processing capabilities, including cutting, shearing, sawing, punching, cut-outs, welding, slitting, blanking, burning, fabrication and various special finishes. The company also provides expedient shipping, with orders for in-stock material placed by noon and shipped that same day. Direct Metals is ISO 9001:2015 Certified and has served customers in the United States and world-wide for over 20 years.
