DIRECT METALS ANNOUNCES ISO 9001:2015 RECERTIFICATION

August 26, 2019 – Kennesaw, GA – Direct Metals, an international steel service center with locations in Kennesaw, GA and Waukegan, IL, has renewed their ISO 9001:2015 Certification. This renewed certification assures that their quality management continues to be integrated throughout the Direct Metals' organization.

Direct Metals' ISO conformance extends to their products, warehousing, sales, fabrication, and distribution. Direct Metals is ANAB Accredited and UKAS Quality Management Certified by the Perry Johnson Registrars, Inc.

“Our entire company must go through rigorous training and testing to earn our ISO 9001:2015 recertification. We are eager to announce that we have upgraded to the latest compliance standards and look forward to continuing to deliver the same quality products and services to our customers” stated Tom Hoover, President of Direct Metals.

Direct Metals adheres to a quality management standard that is recognized and respected throughout the world for their industrial and architectural metal and fiberglass product lines and services.

Founded in 1996, Direct Metals is a leader in industrial and specialty metal products. They carry one of the largest inventories in the nation of perforated metal, bar grating, expanded metal, safety grating, fiberglass grating, architectural metals, handrail components and wire mesh products. The company's products are available in carbon steel, stainless steel, aluminum, copper, brass, bronze, fiberglass or galvanized metal.

Direct Metals offers several processing capabilities, including cutting, shearing, sawing, punching, cut-outs, welding, slitting, blanking, burning, fabrication and various special finishes. The company also provides expedient shipping, for orders of in-stock material placed by noon and will be shipped that same day. Direct Metals has served customers in the United States and world-wide for over 20 years.
